

REACH STATEMENT

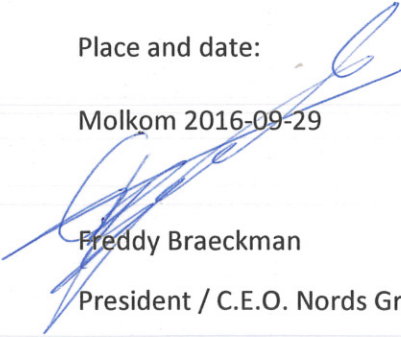

We Nords International AB are a downstream user of the substances included in the stainless steel and hereby confirm that all our supplied stainless steel products including gaskets are following the prescriptions of REACH (1907/2006/EC) regulation. The products are fully compliant with the relevant regulation. This statement is based on the information from our suppliers.

Observance of the prescriptions are also demanded by us from our suppliers, and it is continuously checked by them.

The pertinence of the above mentioned information is continuously checked by us, if any change happens or new information comes up, our customers will be informed immediately.
